OFFICE OF THE DEPUTY COMMISSIONER,
MYSORE DISTRICT.

Dated, Mysore, ...6th... June ..... 1922.

From

P.F.Bowring, Esquire,
Deputy Commissioner, Mysore District.

To

The *Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*
Muzrai Department

SIR,

I have the honor to state that one Davane Racha of the Sri Prasanna Nanjundeswaraswamy temple at Santepet, Mysore City applied for permission to construct a shop on a vacant site measuring about 15' x 9' adjacent to shop No.14 within the compounds of the above institution, with a view to utilize a portion of rent realized from the shop (i.e. to the extent of Rs.50/-) for "Hamasavahana" utsava, Nivedana and Viniyoga during Rathotsavam every year. The cost required for the construction is estimated at nearly Rs.500/- which the petitioner Racha is prepared to meet. The petitioner has further agreed to execute, in respect of the proposed building, a Danashasana, in favor of the diety, but desires to have the possession and management of the shop so constructed till his life time, and to conduct the above mentioned Sevas himself, and proposes that after his death the shop may be taken over under Government management and the said sevas arranged to be conducted perpertually by Government agency, subject to the supervision by one of his family members.

The temple Dharmadarsis and the local officers recommend the grant of the petitioners prayers as they are reasonable and of a charitable nature. The temple is situated in a very busy centre with shops on all sides. The additional building now proposed to be constructed does not in any way affect the beauty of the temple as it would stand by the side of an other building already

already existing as attached to the north side compound wall of the institution. As such, the site may be given to the applicant after obtaining a mutchalika from him to the effect that he would utilise the entire income to be derived from the shop to be constructed for the benefit of the institution and that he would make over the shop to the institution after his death.

The connected vernacular papers ending with Mysore Sub Division Officer's report No.R.O.C.1861/20-21 dated 27th May 1922 are herewith submitted for reference and orders to Government.

I have the honor to be,

Sir,

Your most obedient servant,

For Deputy Commissioner,
